Tuesday, 10am-noon

September Class Schedule

Tech Made Simple, Free Classes for the Non-Tech Savvy

Tech Made Simple- Digital Photography (Tuesday, Sept 19)

Whether you use a digital camera or film the principles to stunning photograph are the same. Join talented photographer Gene Neri to learn how to get the most out of your digital camera. Take better pictures with a few basics. Bring your camera to class with you. This class is for the 'non-tech savvy'. Offered for free to the community, everyone is welcome. Presented by Gene, this class promises to be both fun and informative.

Tech Made Simple- Managing your Photos with Apple Photo App (Tuesday, Sept 26)

Get your photos organized into albums and events, easily and quickly with Apple Photo App. Learn about different file formats that you can use and how to decided which to choose. We will discuss some basic editing of your photos such as cropping and brightening. Then, learn how to share your new creations with family and friends. This class is for the 'non-tech savvy'. Offered for free to the community, everyone is welcome. Presented by Rock Tech Trainer Gene Neri, this class promises to be both fun and informative.
