

We are excited to be partnering with Humanities Washington and Prime Time® to bring the love of books and reading into your family. Together we want to develop a lifelong love of reading for families, focusing on children aged 6-10 years old but siblings of any age are welcome to join in.

From Thursday January 7th to February 11th Prime Time Family Reading will run for 1-hour every Thursday evening at 6pm. **This is a 6-week commitment for parents and children to participate in the program.**

In Prime Time Family Reading you'll enjoy engaging, family-based reading and discussion on topics like fairness, courage, and dreams. Prime Time has a proven track record that develops strategies to increase creativity, critical thinking, and academic success.

With Prime Time Family Reading you will...

- Have an evening of fun one night a week for 6 weeks via a 1-hour online storytelling program with Children's Librarian Miss Jenny
- Help engage children to look deeper into stories
- Receive up to 10 award-winning books to build your library
- Receive a \$25 Island Market gift certificate for each week you attend (total of \$150)

Registration is limited to 15 families who can commit to the 6-week program. You can register for the Orcas Island Library Prime Time Family Reading program [HERE](#)
