Summer Reading Program

IMAGINE YOUR STORY

June 21st - August 15th
How the Summer Reading Program Works

Kids from preschool age through 6th grade may register for the reading program. Adults may read to preschoolers who can’t read on their own yet. The reading program runs from June 21st–August 15th. Children may register at the Library beginning on June 17th.

READING RECORDS: At registration, each child will get a reading record for keeping track of their reading (or the books that are read to them). Families keep the reading records (we don’t store them at the library).

Kids fill in the circle on each day they read at least 20 minutes, then bring reading records to the Library to collect “LIBRARY DOLLARS”. Library dollars may be used to “BUY” new paperback books at the library from the SRP Book Store.

Children may purchase a maximum of 4 books (one per week), but are encouraged to continue reading throughout the summer.

THE LAST DAY TO ADD TO YOUR READING RECORD IS SATURDAY, AUGUST 15th.
